

RHS Graduation Project Proposal Form

Student name (please print): _____

Expected Graduation Date: _____ Homeroom: _____

English III semester I _____ semester II _____
Level: AP Honors Standard
English Teacher's Name _____

Respond to the following questions IN COMPLETE SENTENCES:

1. What is the general topic you will be researching?

2. Write your (working) thesis statement (refer to *thesis handout* for assistance):

3. Explain what you plan to do for the product component of your graduation project. Remember that the product represents *at least 15 hours of time* designing, creating, or doing something related to your topic. Be specific.

4. You must give a 5-8 minute presentation of your project. How will you present your project (e.g., PowerPoint presentation, model, demonstration, display board, reenactment, video, etc.)?

5. What resources will you need for this project? How do you plan to access them?

In order to receive approval from the NCGP Committee, this form must be submitted with all signatures, including your parent/guardian AND your advisor.

I have discussed with my parent/guardian the responsibilities associated with the North Carolina Graduation Project. My parent/guardian is aware that this is a NC graduation requirement that includes a research paper, a product, a portfolio, and a presentation; he/she is aware that it will require work outside the school setting.

I have also reviewed my proposal with my advisor.

Parent/Guardian Signature and Date

Student Signature and Date

Advisor name

Advisor signature

This form should be submitted to your English III teacher no later than April 22, 2009.
